Get with the Giving:
Tz'dakah (Righteous Giving)

Easy at-home Jewish learning from the ISJL

THE BIG IDEA: What is *Tz'dakah* (Righteous Giving)?
Judaism has an important concept in it called *tz'dakah* (righteous giving). What this means is that we are commanded to help others by giving our time, money, and energy towards making the world a better place. You can learn a little bit more about giving by watching this Bimbam episode: https://www.bimbam.com/episode/giving/

TECHNOLOGY ACTIVITY: Scavenge & Social Media Share #GetWithTheGiving

Giving is about helping someone you don't know. What better way to do that then by donating? In this activity, everyone has to go around the house to find at least two items to give away. Once all of the items are collected, each participant will share why they chose that item and how they think someone else will benefit from receiving that particular item. After participants share, a group photo along with all of the items should be taken and shared on a social media platform using the hashtag: #getwiththegiving. And don't forget to tag the ISJL!
