## GOLDRING/WOLDENBERG INSTITUTE OF SOUTHERN JEWISH LIFE (ISJL)

The ISJL's Spirituality division exists to serve the smallest Jewish communities in our region - specifically, individuals and congregations in communities without any local full-time Jewish clergy.

### *How we help the smallest southern Jewish communities:*

- Having ISJL rabbis and staff available to answer questions and connect communities and individuals with Jewish life
- Putting our clergy on the road to lead Shabbat and holiday worship
- Offering virtual preparation and in-person officiation for lifecycle moments such as b'nei mitzvah, weddings, and conversions
- Providing free interactive text study opportunities over Zoom
- The Passover Pilgrimage seder celebration series
- Sending a free weekly "bima-ready d'var" (sermon-ready-to-go!) called Taste of Torah
- And more!

When someone needs Jewish spiritual support, we're here to answer the call.
