PRACTICE ROLEPLAY

RILEY: Anthony and I were paired up for a science project, but he doesn't do any of his share, and even when he does, he gets it all wrong. I need to make a good grade on this and he isn't even trying.

ANTHONY: Reed is so bossy. When we got paired up, I knew he'd be breathing down my neck to make sure I did the project his way, so I decided to step back and just let him do it the way he wants.
